Subject: Request for Signature to Certificate of Deposit (CD) Letter Agreement and Bank Issuance of Administrative Hold Letter, Loy Crapo aka The Bug House, Treasure Chest and Fossil Lease 26068-A, M0230028 and M0270012, Juab County, Utah

Dear Mr. Crapo:

The Division has received the signed and notarized small mine reclamation contract for the Treasure Chest site, and has completed and emailed the CD Letter agreements for both the Treasure Chest and Fossil Lease Sites to Ms. Shanon M. Young, shanon.m.young@wellsfargo.com.

In order to complete the surety paperwork process please contact Ms. Young at Wells Fargo Bank requesting:

- The bank issue an administrative hold letter for each site with the originals sent to the Division;
- The bank manager sign the CD Letter agreement for each site and send originals to the Division

In addition, please go to the bank and sign and date the CD Letter agreements. Please ensure the original signature pages are mailed back to the Division along with the original Administrative Hold Letters. If you and/or the bank require assistance or clarification regarding the process, please contact Beth Ericksen, Minerals Surety Coordinator, by telephone or email, (801) 538-5318 or bethericksen@utah.gov.

Division approval of the reclamation surety cannot occur until these final steps are taken and the CD paperwork is complete with signatures. The Division can take no further review action of the reclamation surety documents until the above requirements are addressed.

If you have questions about the permit, please contact Mr. Tom Munson, Reclamation Specialist, (801) 538-5321. He can assist with modifying the permit to reflect actual ground disturbance and determining the required surety amount for this site.
